SOLVENT DEGREASER

HARDWOOD FLOOR CLEANER

TECHNICAL DATA SHEET

Low Odor Solvent Degreaser

DESCRIPTION

This product is excellent for removing most greases, oils, lubricants, etc. It has low odor and low inhalation toxicity for maximum work comfort and safety. Non-conductive, high flash point, leaves no residue. Safe on ferrous and non-ferrous metals, and on many types of plastics, such as polyethylene, polypropylene, PETE, PVC and electrical wiring. Solv 300 may be substituted for chlorinated solvents in applications below.

HMIS RATING

DIRECTIONS

● **Cold degreasing:** May be used for immersion cleaning in non-agitated vats, circulation-type units, ultrasonic, air-agitated and pressure-spray units. Soak until clean. If desired, remove parts from vat and spray fresh product to flush away dissolved soils. Let product evaporate, or blow dry with air.

● **Electrical contact cleaning:** May be used to clean electrical and electronic parts and equipment. Safe on electrical wiring. De-energize equipment first and blow dry with air before turning back on. Do not spray on hot surfaces. Do not use on operating equipment that may spark or that has an open flame.

TYPICAL PROPERTIES

Specific Gravity:..... 0.78
Dielectric Breakdown
Voltage:29,600 volts
Flash Point:143°F
Evaporation Rate:0.06
Residue on Drying:None
KB Value:..... 33
Appearance:Clear colorless liquid
Odor:Slight petroleum distillate
USDA: K-2

SAFETY

CAUTION:
COMBUSTIBLE MIXTURE.
Refer to M.S.D.S. and product label for additional safety information. Make sure there is adequate ventilation.

PRECAUTIONS
It is recommended that protective gloves and glasses be worn when using this and all cleaning products.
