

TRU-GRIT

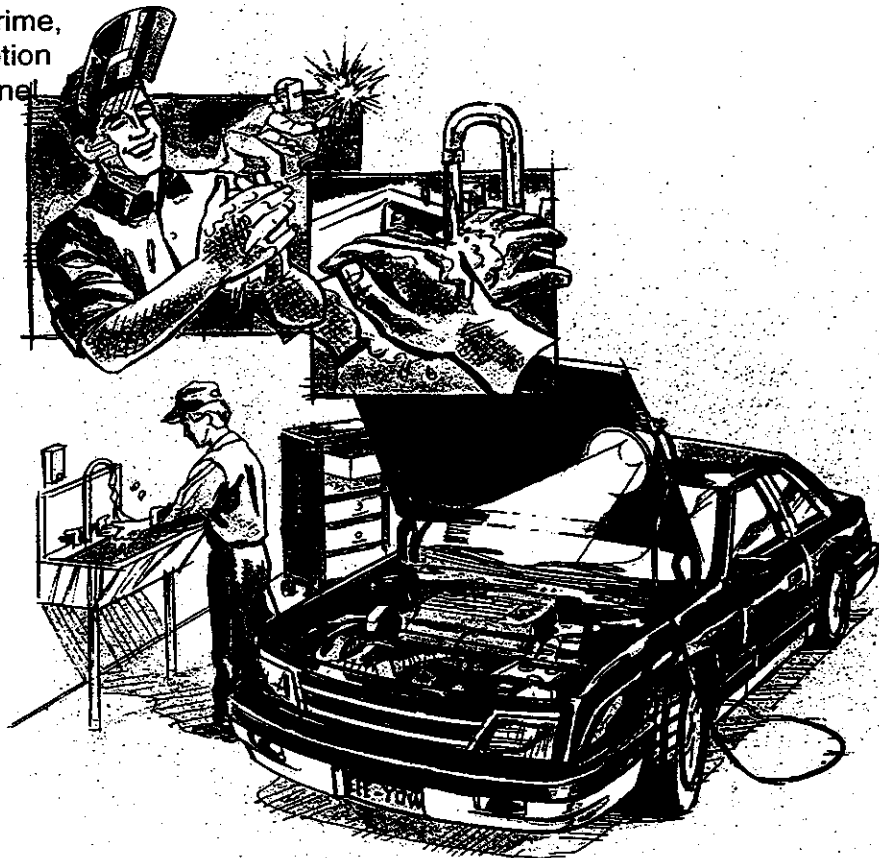

LOTION-POWDERED HAND CLEANSER

A PREMIUM QUALITY SOLVENT BASED GRIT-TYPE HAND CLEANER THAT EMULSIFIES AND SCRUBS CLEAN THE TOUGHEST INDUSTRIAL SOILS.

Solvent based for Strength.. Powered by a petroleum distillate to really fight through those tough to beat machine shop greases. Super enriched to quickly emulsify and clean away the soils that other products can't. Also contains synthetic grit for extra scrubbing action and super performance.

Strong but Gentle... This product will fight through the toughest jobs, but it won't dry and chafe your skin. Contains lanolin and other conditioning emollients to leave hands soft and smooth. Free rinsing formula leaves behind moisturizers to soften the skin's surface.

Economical... It's like having three products in one. A solvent to fight grease and grime, grit for extra scrubbing power, and a lotion to relieve dry skin. You can't beat this one!
