

■ **High solids**

■ **Durable**

■ **Excellent for all indoor wood surfaces**

## CHAIN AND CABLE LUBE

# C GREASE

## TECHNICAL DATA SHEET

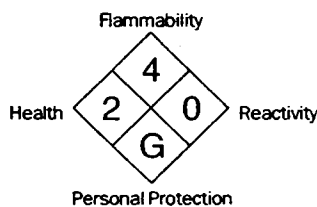

### Highlights

- Extreme pressure applications
- Non-staining
- Excellent for chains, gears, bearings, etc.

### SAFETY CAUTIONS

- Keep out of reach of children.
- Contents under pressure. Do not use or store near heat or open flame. Do not puncture or incinerate container. Exposure to temperatures above 120°F may cause bursting.
- Refer to M.S.D.S. for additional safety information.

### HMIS RATING

### DIRECTIONS

This product is a top quality multi-purpose lithium-based grease combined with a combination of solvents to impart excellent penetrating properties. This product is water and pressure resistant and is effective at temperatures up to 350 degrees F. Acts as an excellent long-lasting, rust preventative lubricant on automotive, marine, and industrial machinery and equipment. Acts as an ideal lubricant for tools, chains, conveyors, shop equipment, etc.

#### DIRECTIONS:

- Shake well before using. Remove protective cap.
  - Insure that area to be treated is clean of dirt and rust.
  - Direct spray toward surface at distance of 10-12". Use the snorkle tube to reach inaccessible areas.
  - Apply only as much grease as is needed. Do not over apply.
- WARNING:** Flammable. Harmful or fatal if swallowed. Use only with adequate ventilation.

### TYPICAL PROPERTIES

- Specific Gravity: **0.75**
- Active Ingredients: **24.5%**
- Propellent: **Hydrocarbon**
- Spray Characteristics: **Harsh, narrow, circular mist**
- Appearance: **Opaque, yellow liquid**
- Odor: **Solvent**
- Net Weight: **14 ounces**
- USDA: **H-2**
