

Orthodichlorobenzene-based

Effective malodor counteractant

Water-Dilutable

For use around sewage plants and refuse areas

ECONOMICAL ORTHODICHLOROBENZENE DEODORANT AND DEGREASER

DEODORANT DEGREASER

TECHNICAL DATA SHEET

DESCRIPTION

Non Caustic

Non Corrosive To Metals

Has no harmful effect on septic action when used as directed. For best results apply at night when system is least active. Avoid contact with rubber, plastic, and painted surfaces.

DIRECTIONS

Garbage Waste, Dump Areas, Sewer Upkeep, Street Culverts, Storm Drains, Gutters, Sludge Beds, Pits, Refuse and Disposal Grounds: To help keep these areas free from sulfurous gases, odors, etc., spray area daily with a 1% to 2% water solution.

Sewage Line - Application: Connect and install drum with a 24 hour continuous system containing a 10% solution. Allow this solution to drip into sewer from highest point in sewer line.

Grease Traps: Ideally suited for grease trap treatment. In addition it aids in deodorizing, it dissolves grease and scum formations which cause clogging of drains. Initial treatment 1 qt. per 100 gal. capacity of trap followed by 1 gal. of water. Daily treatment 2 oz. per 100 gal. capacity of trap followed by 1 qt. of water.

Septic Tanks & Cesspools: Initial treatment 2 pts. per 500 gallon capacity. Weekly treatment 3 oz. per 500 gallon capacity.

TYPICAL PROPERTIES

Specific Gravity.... 0.98

Appearance..... Clear orange liquid

Odor..... Chlorinated Solvent

SAFETY

DANGER:
COMBUSTIBLE MIXTURE - Make sure there is adequate ventilation. Refer to M.S.D.S. and product label for additional safety information.

KEEP THIS AND ALL CHEMICALS OUT OF REACH OF CHILDREN
