

Quality is Our Most Important Product

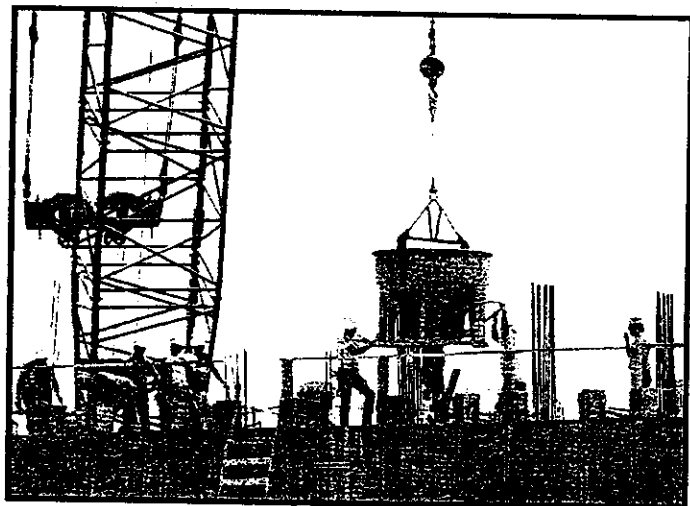

FILTER WALL CLEANER

Description

Filter Wall Cleaner is a concentrated acid cleaner with complex inhibitors proven extremely effective for the removal of lime and scale deposits from air conditioning tanks, heat exchangers, water meters, ready mix concrete trucks, concrete forms and equipment used in the cement and concrete block industry.

Use/Benefits:

- Cleans water metering equipment
- Can be used in federally inspected meat and poultry establishments, but cleaning must be followed by a potable rinse
- Do not use on...
 - aluminum
 - painted surfaces
 - enamel surfaces
 - stainless steel
 - decorative brass

See actual product label for specific use directions.
