

GLOBE-SOL

Description This product is a concentrated acid disinfectant bathroom toilet bowl cleaner, especially formulated to kill many germs commonly found in hospital, industrial and institutional environments. It contains a high level of acid together with an acid compatible detergent system which facilitates the easy removal of resistant stains and permits its disinfectant action.

Directions Flush toilet. Add 3 fluid oz. (6 tablespoons) directly to toilet bowl (3/4 gallon). Brush to cover all interior surfaces of the bowl including the rim. Allow disinfectant solution to remain at least 10 minutes. To clean badly stained bowls, repeat above treatment using 1/2 cup. For use in urinals, add 3 fluid oz. (6 tablespoons) to 3/4 gallon of water, brush to all urinal surfaces. Allow disinfectant solution to remain for 10 minutes. Flush.

At 3 fluid oz. / 3/4 gallon of water, it is effective against a wide range of micro-organisms commonly found in toilet bowls, including *Pseudomonas aeruginosa*, *Salmonella aureus*, *Shigella dysenteriae*, *Streptococcus marcescens*, and *Salmonella typhi* in tests confirmed by the AOAC Use-Dilution procedure.

Safety Keep Out Of Reach Of Children. See back for additional information.
