*Quality is Our Most Important Product*

## GREEN GIANT

### Description

A liquid dishwashing concentrate that is ideal for industrial and institutional hand cleaning where performance is a priority and economy is desired. Green Giant's (change for IS label) combination of biodegradable synthetic detergents and wetting agents breaks up the heaviest encrustations on pots and pans. Green Giant remains gentle to your hands, because it contains no soap. In the hardest water, it forms long-lasting suds without leaving "soap" scum. Green Giant rinses freely and cleans thoroughly.

### Uses

Green Giant is recommended for use in

restaurants	hospitals
cafeterias	schools
lounges	all hand washing applications
institutions	

### Benefits

- Biodegradable
- Free rinsing
- No Scum, even in the hardest water
- Safe for hand use

See actual product label for specific use directions. For Commercial and Industrial Use Only.
