LIFT STATION CLEANER

HIGHLY CONCENTRATED
CLEANER & DEGREASER

LIFT STATION CLEANER is a highly concentrated, multi-purpose, industrial strength, butyl cleaner and degreaser. The surfactant system of this product is biodegradable to enhance environmental friendliness. It will pay for itself in its virtually unlimited applications by replacing many common cleaners with one truly multi-purpose cleaner. LIFT STATION CLEANER is approved for use as a general cleaning agent on all surfaces in USDA meat and poultry establishments. It will penetrate to remove grease, wax, gum, dirt, ink, oil and lipstick from most hard surfaces.

Benefits

- Highly concentrated
- Does not contain any benzenes
- Highly effective on oily stains

Applications

- Hard surfaces where maximum grease cutting ability is required
- Sewer and lift stations
- Pressure washers
- Machinery
- Industrial wastewater treatment plants
- Municipal wastewater plants
