MIRROR SHINE 25 DRY BRIGHT FLOOR FINISH

MIRROR SHINE 25 combines superior quality ingredients to produce a scuff resistant, durable surface with an outstanding rich gloss. In addition, this floor finish exhibits superb leveling and black heel mark resistance to further extend the lifetime of the finish. This product is recommended on all resilient floors. It dries to a high gloss finish which requires no initial buffing.

Benefits

- No initial buffing necessary
- High gloss
- Excellent leveling
- Superior coverage
- Durable
- Resistant to black heel marks

Applications

- All resilient floors

MIRROR - SHINE 25

SUPER FLOOR FINISH

DESCRIPTION

A highly concentrated polymer floor finish fortified for long lasting durability. Resistant to scuffing, marking powdering and soiling in heavy traffic areas. Recommended for use on all resilient floor: rubber, asphalt, vinyl linoleum, and all types of composition tile. This finish produces a high gloss known as the "wet look" and can be used with high speed buffing.
