

TTB4550

- Patented flip lip-up head design for simple and easy brush and pad changes - no crawling underneath
- Fully adjustable handle make the machine comfortable to use for any operator
- Large tank capacities ensure great productivity
- Three position adjustable pad pressure allows for scrubbing or stripping
- Excellent water pick up dries the floor like no other
- LED output control panel ensures operator knows the status of the vacuum , water flow , brush and batteries at all times and it even has an hour meter
- Stainless steel chassis will never rust
- Structural foam brush deck is rust proof, durable and carries a 10 year warranty
- Semi parabolic squeegee with polyurethane blades pivots to give you efficient water recovery on turns and is easily removed for cleaning
- Comes with a safety key so it can stored or charged anywhere and will not operate with it removed
- Pad assisted operation

Battery Features

- 100% gelled electrolyte battery system which means they are spill-proof, sealed and require no maintenance except recharging
- No acid will spill due to improper maintenance or handling - no emergency spill kit needed
- Minimal hydrogen gas given off when charging , can be charged anywhere without special ventillation
- Explosion proof - safest battery available anywhere
- No battery terminal corrosion
- Battery charging system is on-board and is fully self diagnostic so that charging can be executed anywhere and prevents overcharging and overdischarging of the batteries, adding to their life
- Use it, clean it, plug it in to charge, leave it alone
- So compact, so easy to use, for anyone

Model Number:	TTB4550
Recovery Capacity:	11 GAL
Solution Capacity:	11 GAL
Vacuum Motor Watts:	400W
Vacuum Motor HP:	0.5
Cleaning Width:	20"
Weight:	277 LBS
Length:	45.27"
Width:	32"
Height:	40.55"
Battery Type:	2 X 12V (GEL)
Battery AH Rating:	100AH
Charger:	ONBOARD
Working Capacity:	15000
Run Time:	2.5 3.5 HRS.
Brush pressure:	75 LBS
Brush speed:	150 RPM
Pad size:	20"
Brush motor:	400W .5 HP
