

TTQ3035

- Compact and easy to use
- Ideal for cleaning grouted tile with pick up in both forward and reverse
- Pump feeds cleaning solution to the brush for consistent flow of water and the easy to reach on / off switch allows for double scrubbing
- Large rear wheels allow for easy transport while its compact size makes it excellent in confined areas
- The adjustable handle is ergonomic and comfortable to use and folds over taking up minimal space during transport or dtorage.
- The Tynex gritted brush handles even the toughest jobs but it's a quick change to softer nylon brushes when the situation demands it.
