

Quality is Our Most Important Product

ORANGE DEODORANT

Description

A water dilutable odor counteractant that can be effectively used as a space or surface spray.

Use/Benefits:

- May be diluted with up to 100 parts water, depending on the intensity of the odor to be controlled.
- Highly concentrated
- Stabilized for long-lasting deodorizing effectiveness
- No medicinal odor
- Can also be used as a surface spray

See actual product label for use directions.
