DRY SPRAY MICRO MIST AIR FRESHENER

DESCRIPTION

New technology air freshener provides instant deodorization and continuous odor control. Completely effective in combating and counteracting all types of malodors in the air or on surfaces/fabrics. Spray particles penetrate and chemically eradicate odors, even those trapped in fibers. Quickly travels throughout the room or area being treated.

FEATURES AND BENEFITS

- Neutralizes and eliminates tobacco smoke, cooking, mildew and musty odors
- Finely atomized spray provides 100% vaporization of fragrance
- No messy droplet fallout - stays airborne after spraying
- Totally dry - will not wet or stain fabrics or surfaces
- Leaves the air smelling fresh and clean long after spraying

APPLICATIONS AND USES

FOR USE IN: Hotels, Motels, Restaurants, Hospitals, Nursing Homes, Locker Rooms, Rest Rooms, Offices, Schools, Garbage Collection and Smoking Areas

SUGGESTED USES INCLUDE: Carpeting, upholstery, draperies, bedding, fabrics, clothes bags, laundry hampers, waste baskets and anywhere else bad odors occur.

DIRECTIONS FOR USE

No shaking necessary. Keep spray opening at least 12 inches from surfaces.

TO FRESHEN THE AIR: Aim spray towards ceiling and corners of room and spray area thoroughly.

TO FRESHEN OTHER MATERIALS: Spray lightly on fabric, item or surface. If direct spraying is not desirable, spray another item that will be stored in the same area.

TECHNICAL DATA AND PROPERTIES

FORM: Fine spray mist
COLOR: Colorless
FRAGRANCE: Peach
VISCOSITY: Thin
FLASH POINT: 54°F
pH: N/A

STORAGE: 120°F Max.
FREEZE-THAW STABLE: Yes
BIODEGRADABLE: Yes
SOLVENCY/EMULSIFICATION: N/A
FUMES OR VAPORS: See MSDS
DILUTION W/WATER/RINSIBILITY: N/A
DENSITY: 1.0

SIZES / AVAILABILITY

20 OZ. aerosol
Packed 12 per case
