

#93 PINE-O-CEPTIC

PINE ODOR DISINFECTANT

Description This product is a disinfectant, cleaner and deodorizer for commercial and light industrial cleaning. For use on walls, floors and other inanimate hard, nonporous surfaces. Effective against Salmonella Choleraesuis, and Pseudomonas Aeruginosa when diluted one part disinfectant to 40 parts water.

Directions It is a violation of the Federal Law to use this product in a manner inconsistent with its labeling.

Use 16 oz. per 5 gallons of water. Pour the disinfectant into a clean bucket then add the water. Use warm water for best results. Apply with a mop, sponge or cloth.

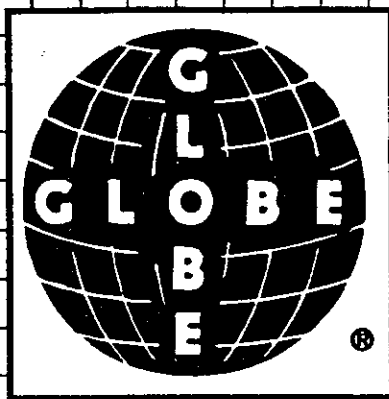

All surfaces must be precleaned prior to disinfecting. Thoroughly wet all surfaces. Treated surfaces must remain wet for 10 minutes. Rinse with fresh water. Fresh solution must be prepared daily or when the used solution becomes visibly dirty.

Safety Keep Out of Reach of Children. Causes eye damage and skin irritation. Do not get in eyes, on skin or clothing. Wear goggles or face shield. Physical and chemical hazards: Keep away from heat, sparks and open flames. Refer to M.S.D.S. and product label for additional safety information and directions for use.

Specifications

Specific Gravity.....	0.985
pH (10% solution).....	11.5
Pine Oil.....	17.3% min.
Sodium o-benzyl-p-chlorophenate..	5.1% min.
Soap.....	5.0%
Solubility in water.....	Emulsifies
Dilution.....	1:40
Appearance.....	Clear Amber Liquid
Odor.....	Pine
