# WHITE WASH

**TECHNICAL DATA SHEET**

## Fast! Effective! Removal of Mildew Stains

### DESCRIPTION

White Wash is formulated with chlorine-stable detergents to remove mildew stains on contact in about 3 to 5 minutes. Guaranteed to work on bathroom tile, shower curtains, grout around tubs, bath mats, vinyl auto tops, vinyl boat seats, awnings, patio furniture, ceiling and walls before painting, and under eaves of houses.

### SAFETY

**CAUTION:** Make sure there is adequate ventilation. Refer to M.S.D.S. and product label for additional safety information.

**PRECAUTIONS**  
It is recommended that protective gloves and glasses be worn when using this and all cleaning products.

KEEP THIS OUT OF REACH OF CHILDREN

### DIRECTIONS

Just spray on, leave for approximately 5 minutes, and rinse off. No rubbing or scrubbing is necessary except for very stubborn areas. May be used in bathrooms, shower stalls and closets. Just spray on and mildew stain will be gone when area dries.

**NOTE:** Do not mix with cleaners or chemicals. May result in hazardous acid-fumes.
